I have adopted an animal from SOS Algarve Animals, a rescue organization for the care and rehoming of dogs and cats. I undertake to care for this animal with love and kindness.

1. I will properly vet my animal and provide it proper exercise.
2. I will properly care for my animal, it will be not be left chained for long periods of time, it will be taken to the vet if ill or sick, and it will receive appropriate protection against parasites.
3. If my animals is not sterilized, I will have my animal sterilized as soon as possible or when of appropriate age. I will not use my animal for breeding.
4. I will not rehome or abandon my animal without first contacting a representative of SOS Algarve animals.
5. If my animal is lost I will contact a representative of SOS Algarve Animals as soon as possible.

If requested, I will accept a "house visit" from a representative of SOS Algarve Animals to visit the animal in our home.

The animal has received the following treatments:

1. A passport and/or health book with vaccinations reflected therein.
2. The animal appears to be in good health and has no signs of any illness of which I have not been made aware.
3. The animal is microchipped. I will register the microchip to myself at my address with a telephone number, and in the event any information changes I will then update the registry with such changes.
4. I will comply with all laws for the care of my animal in my home country.
